

Public Information on Designated Smoking Zone

Phuentsholing Thromde would like to inform the general public that **6 designated smoking** areas have been established across the core town area. With the establishment of these designated smoking areas, smoking in all other public spaces is strictly prohibited and punishable by law with effect from 1st September, 2025 and will result in fine/penalty. BFDA and RBP will be carrying out strict monitoring.

Following are the 6 designated smoking areas and locations are indicated in the map attached below:

1. Near the new public toilet behind Tashi Commercial Center.
2. In the parking of Integrated Vegetable Market (IVM)
3. Near the Multi-Level Car Parking (MLCP)
4. Jorden Lam near the Lions Club
5. Near Taxi Association counter
6. Near the old public toilet near Druk PNB

The Thromde would like to urge all the smokers to use the space respectfully and to consider proper disposal of cigarette butts in the provided ashtrays/bins.
