PT/Envt-05/2025-2026

Date: 28/10/2025

Public Notification

This is to notify the general public that Phuentsholing Thromde, in collaboration with Ucykal Private Limited, has installed Reverse Vending Machines (RVMs) in three locations at Central Park, Integrated Vegetable Market (IVM), and Multilevel Car Parking (MLCP), aiming to improve the waste management within the Thromde. The RVM accepts all types of pet bottles, glass bottles, and aluminum cans, and in return, users will receive payment for each item as follows:

PET bottles: Nu. 1 per item

Glass bottles: Nu. 2 per item

Aluminum cans: Nu. 2 per item

Therefore, we encourage everyone to utilize RVM facilities to help keep our environment clean and safe. Taking care of waste is the responsibility of each and every individual.
